BE TOGETHER BETTER FUTURE

JINING HUIDA CONSTRUCTION MACHINERY CO.,LTD

OVER **25**

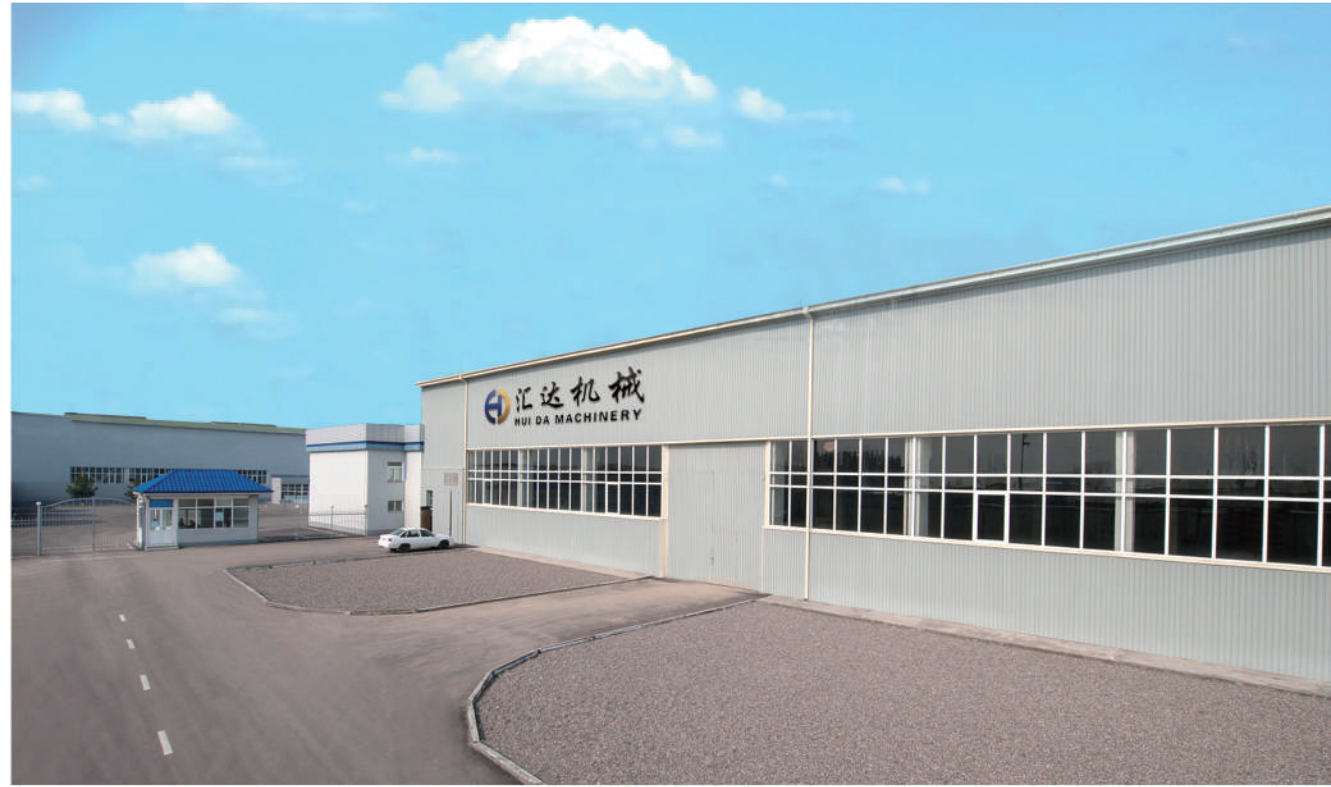

YEARS OF CONTINUED GROWTH

JINING HUIDA CONSTRUCTION MACHINERY CO.,LTD.

Jining Huida Construction Machinery Co., Ltd. founded in 1996, is a leading supplier of earthmoving parts and components. We are a "one-stop-shop". Our drive is to deliver a quality, long life product at the right price. Customers can choose from an array of parts conditions to meet their needs encompassing new, reconditioned, rebuilt, and used.

With over 25 years of experience, Huida has earned the trust of over 50,000 customers. We are available to help you with all your equipment part needs.

High quality

Fast delivery

Certification

Excellent service

COMPANY PROFILE

With over 20 years of experience, Jining Huida Construction Machinery Co., Ltd. is a trading company specialising in construction engine parts including fuel pumps, injector, engine assemblies and more, where you can find new, rebuilt or used engines. We supply parts from all major manufacturers including Caterpillar, Komatsu, Volvo, Hitachi and many more. We are the choice of thousands of customers because we offer the best priced and best constructed parts.

ABOUT US

OUR TEAM

Huida Machinery also promotes the best products and services to the world together with the Huida brand. Our business has covered more than 100 countries and regions such as Southeast Asia, Africa, Oceania, Europe and South America.

The company has been adhering to:

With our professional management, honest management, pure quality and customer first business philosophy, we provide the best service and quality assurance to new and old customers across the country in a timely and accurate manner with our good reputation, sincere service and competitive price advantage.
